

TECHNICAL DATA SHEET	
Date of issue: 11.09.2023	Version: 2.0

Description	ATM Latex Adhesive No. A-9000 is a premium latex adhesive that specially formulated to provide high viscosity, strong bonding with excellent adhesion. Easy to apply with good flow. No stain when it completely dry. Good protection against mold and fungus.	
Application	Suitable to be using for multipurpose and D.I.Y on materials bonding such as fabric, paper, wood, wall paper, and etc.	
Technical data	Product type	Vinyl acetate latex.
	Appearance	Viscous liquid in milky white colour
	Specific gravity (water = 1)	0.9 – 1.1
	Viscosity	35,000 – 45,000 cps at 25 °C
	Solid Content	21 – 23 %
	pH	4 - 6
	Application tool	Brush or roller
	Diluent	Ready to use. No need for dilution.
	Drying time (25 °C)	
	<ul style="list-style-type: none"> For general works or DIY 	10-15 minutes depends on surface type and condition.
Instruction	Surface preparation	Make sure the surface is clean and free from dust, dirt, wax or any contaminants that will be effect to the adhesion efficiency.
	Latex adhesive application	<ol style="list-style-type: none"> Apply ATM Latex Adhesive A-9000 by brush or roller. Press parts immediately together after application. Do NOT add water or other diluents and avoid contact adhesive with metal. Leave the surface dry for 10-15 min depends on surface type and condition.

Version: 2.0

	5. Always keep the container tightly closed when not in use.
Recommendation	Always keep spreading ATM latex adhesive evenly with moderate thickness to achieve the good bonding performance on application surface.
Theoretical coverage	1 – 1.2 kg/ square metre.
Storage & shelf life	Best before in 3 years (sealed container). Keep in a cool dry and well-ventilated place. Avoid direct to sunlight. Always keeps the container tightly closed when not in use and use again after correct storage.
Safety, health & environment information	Keep out of reach of children. Use in a well-ventilated area. Avoid contact with skin or eyes. Prolonged or repeated exposure may cause skin dryness or dermatitis. If on skin, wash with plenty of soap and rinse skin with clean water. If in eyes, rinse cautiously with water for several minutes. Do not use empty container for food stuff. Do not empty into drains.
Packing	100 g (4 oz), 210 g (8 oz), 420 g (16 oz), 850 g (32 oz) 1.8 kg, 5 kg, 10 kg, 20 kg, 50kg
